## Home Improvement Services

Improve the look, comfort and energy efficiency of your home with new glass products, which can increase your home's value as well. If just a repair is needed, often cracked or chipped glass in single panes can be replaced, instead of replacing the entire window or door.

- Single pane windows, including energy efficient, insulated glass for low energy emissions (low-E)
- Low-maintenance glass windows
- Safety glass
- Frosted glass
- Laminated glass
- Tinted glass
- Decorative glass panels (in cabinetry, for example)
- Entry door glass (decorative, blinds, sliding and other options)
- Sliding glass patio doors
- Reflective glass and mirrors, including decorative, walls, vanities and shelving
- Skylights
- Sunrooms
- Heavy frameless glass shower doors and framed shower and tub enclosures
- Storm window glass
- Glass tables, both indoor fitted tops and outdoor patio tops
- French doors
- Entertainment centers

We make our best effort to understand your needs in every situation. With *Glass Doctor* you'll always know the price up front, before we start work. When it's time to get to work our technicians will take care of your home, from protecting your carpets to cleaning up the dust. Be sure to ask about our Advantage Plan, which gives you preferential appointment times and pricing discounts on future work.
