Glass Doctor Ready to “Fix Your Panes” in River Falls

Windshield Replacement, Window Repair, Storefront Installation Offered

RIVER FALLS, Wis. (March 30, 2009) – The Glass Doctor® of River Falls franchise owned by Jamie Bark is now open and ready to “fix your panes!”

Glass Doctor of River Falls offers mobile residential, automotive, and commercial glass repair and replacement services. The shop is open 8 a.m. – 5 p.m., Monday through Friday, and 24-hour emergency service is available.

“We’re pleased to be a part of *Glass Doctor*, we know it will help us quickly grow our business,” Bark said. “Now we are able to add glass replacement services for home and business to our auto glass services.”

Upon purchasing the *Glass Doctor* franchise in December, Bark attended the most in-depth training in the glass services industry, a 10-day training course on the latest glass repair technology, customer service techniques and marketing methods held at the Glass Doctor University Training Center in Waco, Texas.

Glass Doctor of River Falls will offer windows that qualify for the federal income tax credit on energy-efficient windows. Homeowners who install energy-efficient replacement glass windows and doors can claim a tax credit in 2009 or 2010 of 30 percent of the product cost up to \$1,500 per household. The glass must meet or exceed the new “30/30” criteria, which is stricter than the Energy Star criteria.

“*Glass Doctor* is a premier choice for glass repair and replacement,” said Mark Dawson, president of *Glass Doctor*. “We’re delighted Jamie and his team have joined our franchise team, and we believe their business will be successful because we all operate under the same core values.”

The independently owned and operated shop is located at 645 N. Main St. in River Falls.
