## Glass Doctor Services

*Glass Doctor* repairs and replaces all types of glass products for the home, automobile, and business markets.

### Home Glass Services

Glass windows and other fixtures in the home may be able to be repaired if they are etched or scratched. Repairs depend upon the depth, length and type of scratch. Cracked or chipped glass in single panes can be replaced, as opposed to replacing the entire window or door. Glass Doctor can replace any glass except glass a person wears or drinks from, including:

- Single pane windows, including energy efficient, insulated glass for low energy emissions (low-E)
- Low-maintenance glass
- Safety glass
- Frosted glass
- Laminated glass
- Tinted glass
- Decorative glass panels (in cabinetry, for example)
- One-way glass
- Reflective glass and mirrors, including decoratives, walls, vanities, shelving, and headboards
- Entry door glass
- Sliding glass doors
- Skylights
- Sunrooms
- Heavy frameless glass shower doors and framed shower and tub enclosures
- Storm window glass
- Glass tables, both indoor fitted tops and outdoor patio tops
- French doors
- Entertainment centers
- Scratch removal

### Automotive Glass Services

*Glass Doctor* can repair most chips and scratches in windshield glass. *Glass Doctor* franchises use Original Equipment Manufactured (OEM) windshield glass and offer the G12 windshield replacement guarantee. *Glass Doctor* can replace all windshield, window glass, and mirrors in the following vehicles:

- Cars
- Trucks
- Vans
- SUVs
- Tractors
- Construction equipment
- Buses
- RVs
- Tractor-trailers

### Business Glass Services

Businesses needing attractive store fronts with large-pane glass displays can call the *Glass Doctor* whenever the glass needs original installation, repair or replacement. From emergency boardup service to advance measurement plans, *Glass Doctor* has unique services to exceed commercial customers' expectations.

- Store fronts
- Display cases
- Glass walls
- Mail slots
- Fire-rated glass
- Bullet and bomb resistant glass
- Safety glass
- Package doors
- Panic hardware
- Energy efficient, insulated glass
- Reflective, tinted or mirrored glass
- Scratch removal
