Kozlowski Wins National Rookie of the Year Award

NEW BERLIN, Wis. (July 8, 2009) – *Glass Doctor* honored David Kozlowski of the *Glass Doctor* of Southeast Wisconsin franchise with the 2008 Rookie of the Year Award during the company's 2009 Annual Reunion Conference in Las Vegas last week.

The Rookie of the Year Award is given to *Glass Doctor* franchisees who demonstrate outstanding performance in sales and building their franchises during their first full year of operation. Kozlowski became owner of *Glass Doctor* of Southeast Wisconsin in June 2007 and quickly turned it into a successful business.

Kozlowski also was among nine franchisees who earned Personal Achievement awards. The Personal Achievement Award acknowledges

outstanding sales, manpower growth, personal growth or franchise development for the prior calendar year.

“Even though *Glass Doctor* of Southeast Wisconsin has been operating for many years, it has been rejuvenated with David Kozlowski’s leadership,” said Mark Dawson, president of *Glass Doctor*. “David has done an excellent job of marketing their services and delivering world-class experiences to their customers.”

Located at 2275 S. 162nd St. in New Berlin, [Glass Doctor of Southeast Wisconsin](#) serves the Milwaukee area, including Kenosha, Milwaukee, Ozaukee, Racine, Walworth, Washington, and Waukesha Counties.

“It’s an honor to be named the *Glass Doctor* Rookie of the Year,” Kozlowski said, “but we couldn’t be successful without the efforts of our employees to provide high quality service for our customers.”

As a leader among *Glass Doctor* franchises, *Glass Doctor* of Southeast Wisconsin offers customers the company’s newest products and services, including energy-efficient windows by MI Windows and Doors that qualify for federal income tax credits. *Glass Doctor* of Southeast Wisconsin also offers G12, a one-year guarantee on windshield replacement. If an OEM replacement windshield that a *Glass Doctor* franchise has installed is damaged or

broken within 12 months of the replacement date, *Glass Doctor* will repair or replace the windshield glass only at no additional charge to the customer (some vehicle restrictions apply; contact *Glass Doctor* of Southeast Wisconsin at (262) 821-9682 for complete details).
