## Glass Doctor Ready to “Fix Your Panes” in The Woodlands

*Windshield Replacement, Window Repair, Storefront Installation Now Offered*

**CONROE, Texas (May 14, 2009)** – The [Glass Doctor® of The Woodlands](#) franchise owned by Denell Brown is now open and ready to “fix your panes!”

Glass Doctor of The Woodlands offers mobile residential, automotive, and commercial glass services to The Woodlands, Conroe, Oak Ridge North and throughout Montgomery County. The shop is open 8 a.m. – 5 p.m., Monday through Friday, and 24-hour emergency service is available.

“We’re pleased to be a part of *Glass Doctor*, we know it will help us establish our business,” Brown said. “This summer is a good time for customers to replace damaged or older windows with energy-efficient windows that qualify for the federal tax credits.”

Upon purchasing the franchise, Brown attended the most in-depth training in the glass services industry, a 10-day training course on the latest glass repair technology, customer service techniques and marketing methods.

“*Glass Doctor* is a premier choice for glass repair and replacement in the United States and Canada,” said Mark Dawson, president of *Glass Doctor*. “We’re delighted Denell and his team have joined our franchise team, and we believe their business will be successful because we all operate under the same core values.”

The *Glass Doctor* of The Woodlands shop is located at 19073 North Interstate 45, near Sam’s Club.
