Laurel Glass Services Business Ready to “Fix Your Panes”

Laurel, Md. (Jan. 23, 2009) – The Glass Doctor® of Greater Laurel and Howard County franchise owned by Lavon Sampson is now open and ready to “fix your panes!”

Glass Doctor of Greater Laurel and Howard County offers mobile residential, automotive, and commercial glass repair and replacement services. The shop is open 8 a.m. – 5 p.m., Monday through Friday, and 24-hour emergency service is available.

“We’re pleased to be a part of *Glass Doctor*, we know it will help us quickly grow our business,” Sampson said. “Our previous business was focused on auto glass, and now we can add home and business glass replacement services.”

Upon purchasing the *Glass Doctor* franchise last September, Sampson attended the most in-depth training in the glass services industry, a 10-day training course on the latest glass repair technology, customer service techniques and marketing methods held at the Glass Doctor University Training Center in Waco, Texas.

“*Glass Doctor* is a premier choice for glass repair and replacement,” said Mark Dawson, president of *Glass Doctor*. “We’re delighted Lavon and his team have joined our franchise team, and we believe their business will be successful because we all operate under the same core values.”

The *Glass Doctor* of Greater Laurel and Howard County shop is located at 14709 Baltimore Ave., Suite 9, Laurel, Md. 20707.
