## Glass Services Business Ready to “Fix Your Panes”

**MONTOURSVILLE, Pa. (Jan. 19, 2009)** – The Glass Doctor® of Lycoming County franchise owned by Mike Snauffer and Nadine Forney is now open and ready to “fix your panes!”

*Glass Doctor* of Lycoming County offers mobile residential, automotive, and commercial glass services to Williamsport and the greater Lycoming County area. The showroom and shop is open 7:30 a.m. – 5:30 p.m., Monday through Friday, and 8 a.m. – noon Saturday. Also 24-hour emergency service is available.

“We’re pleased to be a part of *Glass Doctor*, we know it will help us quickly grow our business,” Snauffer said. “Williamsport needs a one-stop shop for all glass repair and replacement services, from windows and windshields to storefronts and entry doors.”

Upon purchasing the *Glass Doctor* franchise last October, Snauffer attended the most in-depth training in the glass services industry, a 10-day training course on the latest glass repair technology, customer service techniques and marketing methods held at the Glass Doctor University Training Center in Waco, Texas.

“*Glass Doctor* is a premier choice for glass repair and replacement,” said Mark Dawson, president of *Glass Doctor*. “We’re delighted Mike and his team have joined our franchise team, and we believe their business will be successful because we all operate under the same core values.”

The *Glass Doctor* of Lycoming County shop is located at 1210 Broad Street in Montoursville.
